THEME OF ICCHD-2025

International Conference on Chemistry for Human Development, ICCHD-2025 will be organized by Professor Asima Chatterjee Foundation, Kolkata jointly with University of Calcutta, Biswa Bangla Biswabidyalay and Luminescent Organic Consortium of India (LOCI) during January 4-6th, 2025. The proceeding of the seminar, in which experts from all over the world (~30) and India (~70) will participate, exchange their views and discuss a wide range of contemporary research area including Catalysis, Organic Synthesis, Medicinal Aspects of Natural Products, Innovative Organic Materials, Chemistry and Industry, Agrochemicals and allied topics. We are also happy to announce that Luminescent Organic Consortium of India has joined to broaden the horizon ICCHD and a parallel session will be hosted to cover current innovation in the field of luminescent molecules and materials with a focus on sensing, bioimaging, optoelectronics and other related topics.
